MOSCOW, Dcc. 31.—Official reports to Prime Minister Stalin said today the Soviet Union has "significantly exceeded" her prewar production of steel and told of other industrial gains.

Ivan T. Tevosyan, metallurgical minister, made clear in his letter to Mr. Stalin that Russia has left Britain far behind in steel production, and said the prewar level of output of pig iron also was exceeded in the fourth quarter of 1948.

Russia produced 18,000,000 metric tons of steel and 15,000 metric tons of steel and 15,000 metric tons of steel and 15,000 metric tons of steel and 19,500,000 tons of iron in 1950.

(Even this production would be far less than the American output. Statesman's Yearbook figures show Britain produced 12, 480,000 tons of steel and 7,751,000 tons of pig iron in 1946.)

Caps to Meet Chicago Here Tomorrow After Victory in St. Louis

The Washington Caps have regained their winning basket ball touch just when they need it most Their two-game losing string, longest of the season, ended last night with an 81-68 victory over the Bombers at St. Louis, and the Caps are en route home to take on the Chicago Stags, first-place team of the Western Division, tomorrow night at Uline Arena.

The Stags got back on top in their section last night by beating Providence, 101-89, while Baltimore was whipping Rochester, the previous Western leader, 100-89. In the Basket Ball Association of America's other game last night. Philadelphia increased its winning string to five games by taking Indianapolis, 94-91.

Those winning performances were little comfort to the Caps, who within the next week will meet all those teams which triumphed last night. After Chicago tomorrow night comes Philadelphia next Tuesday there and Baltimore next Wednesday here.

The Caps expect to show new strength tomorrow night, however, when Jack (Big Nick) Nichols, the 6-foot 7-inch former University of Washington scoring sensation, makes his debut. He just recently signed with the Caps after having turned down previous offers to turn pro and arrived in Washington yesterday.

In last night's game at St. Louis. the Caps jumped into a big early lead and never were threatened. The Bombers didn't get a field goal for the first 7 minutes as the Caps worked their way to a 42-26 halftime edge. Capt. Bob Feerick had the high hand for Washington with 20 points.
